PROFESSIONAL SUMMARY

Motivated and detail-oriented IT professional currently pursuing a Master of Computer Applications (MCA), with strong skills in software development, data structures, and programming. Passionate about simplifying complex concepts through teaching and mentoring, while fostering collaboration and knowledge-sharing. Experienced in building responsive web applications and solving real-world technical challenges. Known for a proactive mindset, adaptability, and a commitment to continuous learning and innovation.

TECHNICAL SKILLS

- **Frontend Technologies:** React.js, HTML5, CSS3
- **Backend Technologies:** Node.js, Python
- **Databases:** MongoDB, PostgreSQL
- **Testing & APIs:** API Testing, RESTful Services

Education

Master of Computer Applications (MCA)	Aug 2024 – Present
Mepco Schlenk Engineering College, Sivakasi	
CGPA: 7.67+	
Bachelor of Computer Applications (MCA)	Jul 2020 – Apr 2023
The American College, Madurai	
CGPA: 8.4+	
HSC – Higher Secondary Certificate	Mar 2020
Grace Matric Hr Sec School, Madurai	
73%	

PROJECTS

Pet Clinic Management	Apr 2023
• Developed a responsive web application for pet healthcare using HTML, CSS, Bootstrap. • Implemented modules for doctor appointments, treatment plans, and insurance management. • Analyzed requirements and translated scope into UI pages and feature flows to streamline appointment handling.	
Patient Food Recommendation System	May 2025
• Built a healthcare web platform combining personalized nutrition with digital medical services. • Designed features for diet recommendations, custom diet charts, video consultations, and on-line pharmacy. • Handled requirement analysis and implemented user flows for scheduling, diet download, and remote consultations.	

Certifications & Courses

- **Programming in Java** (NPTEL) — Jan 2025 Studied OOP, exception handling, file I/O, multithreading, and GUI development.
- **Java Certification** (HackerRank) — Mar 2025 Solved 50+ coding challenges; demonstrated strong grasp of OOP and core Java features.
- **Python Programming** (Udemy) — 2024 Completed beginner-to-advanced concepts in Python, including functions, OOP, and data handling.
- **Web Development** (Udemy) — 2024 Completed full-stack web development course covering HTML, CSS, JavaScript, and responsive design.
- **AI Foundations** (Infosys Springboard) — 2024 Completed introductory AI course covering machine learning fundamentals and real-world applications.

Interests & Hobbies

- Photography and Photo Editing
- Pencil Sketching Art
- Cricket

Accomplishments

- **Gyan Mitra '25 – Mepco Schlenk Engineering College** Served as an active coordinator for the Department of Computer Applications' event, contributing to activity planning and quiz content creation. Gained valuable experience in **time management, teamwork, and problem-solving**.
